OZAUKEE COUNTY'S REVERSE EMERGENCY NOTIFICATION SYSTEM

We know that we may call 9-1-1 for police, fire or medical assistance in emergencies. But did you know that Ozaukee County Emergency Management participates in a mass alert system similar to the reverse of the 9-1-1 system?

MyStateUSA provides this service by sending voice and text messages that alerts the community to a variety of emergency and non-emergency circumstances directly to your land line, cell phone, blackberry and email. Go to www.co.ozaukee.wi.us/sheriff and click on the MyStateUSA link for more information and to sign up.

TIPS TO WEATHER THE WEATHER

April is severe weather awareness month. Use this time of year to check and refresh your preparedness supplies. Use flashlights instead of candles during power outages. Also, draft and practice an evacuation plan toward safety and shelter. If you do not have a battery powered weather radio already, this would be a good time to purchase one. Make an emergency kit of batteries (including a battery powered cell phone charger), bottled water, antibacterial hand wipes, change of clothing for each person, blankets, first aid kit, pet care items, an extra set of car keys, tarps, hammer, nails and duct tape. Keep important documents nearby in a waterproof container. Stay safe and connected during emergencies.

CURBSIDE BRANCH COLLECTION

Curbside branch collection is offered to residents every Monday in the Village of Fredonia. When placing branches curbside for pick-up, please put cut ends toward the curb. Branches should be laying next to each other; not criss-crossing. The maximum diameter accepted is 6". Failure to comply with these rules may result in branches not being picked up. To arrange for this service please call the village hall at 692-9125 prior to 7:00 a.m. Monday. Branch drop-off is not allowed at the WWTP site. Wood chips are available to the public as supply permits. Leaves and yard debris may be put on the compost pile at the Wastewater Treatment Plant. If you use plastic bags to transport your yard waste, be sure to take the bags along with you. Open burning of grass and leaves is prohibited in the village.
