Greetings,

Summer is here, schools out and that means children will be active around the Village. Please take extra precaution while driving. This years' Memorial Day Celebration was another great success put on by Kim Steffen and our Local American Legion Post 410. It's nice that everyone took the time to remember the men and women who made personal sacrifices for our country and for those who are currently serving our country. It was also nice to see all the people who attended the Flag Day Celebration which celebrates our heritage and honors the men and women who served and are serving our country.

What's happening in the Village?

We are coming up on our one year anniversary at the Fredonia Government Center. Things are running smoothly and I again want to thank everyone who worked on this project.

The South Milwaukee Street detention pond project is complete. The Village received a grant from the DNR to offset some of the cost. Having a detention pond comes with some risks, so at this time I am asking every parent to inform their children of the hazards of playing by the pond. There is no way the Village can make it completely safe. Your help is needed in this area.

In the coming weeks we will grind and overlay South Milwaukee Street from Fredonia Avenue to Pine Street and a few other intersections in the Village.

The final audit of the Tax Incremental Financing District will be completed in July.

I encourage everyone who can to become a **Volunteer for the Fredonia Fire Department**. Contact Chief Brian Schommer at 692-9973 for more information.

If you have any questions or ideas for the Village feel free to contact me. Have a great summer.

Joe Short
Village President

WARM WEATHER REMINDERS:

- **Dog Owners** - Please be considerate and quiet your barking dog as your neighbors may have their windows open. Also, when you walk your dog, be sure it is on a leash and that you clean up after it. 
- **Tree Trimming Required** - Village Ordinance 6 -4-7 requires that all trees on private property in the Village with branches extending over a public sidewalk be trimmed so that no branches hang over the sidewalk lower than eight feet above the sidewalk.
- **Water Meter Register Access** - Keep bushes trimmed and do not place anything in front of the outside water meter registers so that the village crew will have an easy view when reading meters. Gates and fences **must** be unlocked to gain access to your water meter.
- **Tornado Season** - If a Tornado Warning is issued  for Fredonia, the siren will sound for three minutes. Please take shelter immediately as this warning means that a tornado sighting has been confirmed. The siren will also sound for testing purposes on the second Tuesday of each month at 7:00 p.m. from March through November.
- **Curfew** - Persons under the age of 16 are not allowed out after 11:00 p.m. unless accompanied by a parent or guardian, except when attending a school function or returning home from their place of employment.
- **Bicyclists** - Bicycle riders must obey the same traffic rules as automobiles. For safety, bicycles should be ridden single file on the far right side of the road. Bicycle helmet use is encouraged. 
- **Basketball Hoops** are not to be placed in the roadway. When placed in the roadway they are not only a traffic hazard but it also encourages children to play in the road which is dangerous. 
- **Village Parks** close at 9:00 p.m. unless otherwise noted. People in the parks after hours are subject to a fine.
- **Motorized Scooters** are not legal on streets unless the operator is a licensed driver.
- Village Code **prohibits** hunting, discharging of firearms - including B.B. guns and paintball guns, or explosives - including fireworks within village limits.

FREDONIA WATER & SEWER

Occasionally someone will have a problem with their plumbing; a leaky faucet, a toilet that runs or a water heater rusts which causes a large amount of water usage. Although the village is responsible for water main breaks in the street, anything on the homeowner's side of the lateral connection is the property owners responsibility. This includes the cost of the water. The current water and sewer rates are as follows:

SEWER RATES FIXED CHARGE

5/8"	meter	\$ 42.06
1"	meter	\$ 63.09
1 1/2"	meter	\$105.15
2"	meter	\$168.24
3"	meter	\$273.39
4"	meter	\$420.60
6"	meter	\$841.20

Plus volume charges of \$3.28 per 1,000 gallons of sewer discharged.

WATER RATES MINIMUM QUARTERLY CHARGE

5/8"	meter	\$ 7.56
1"	meter	\$ 13.40
1 1/4"	meter	\$ 17.45
1 1/2"	meter	\$ 24.44
2"	meter	\$ 34.92
2 1/2"	meter	\$ 52.37
3"	meter	\$ 69.81
4"	meter	\$110.57

PLUS CONSUMPTION CHARGES

1st	30,000 gal.	\$1.40/M gal.
Next	70,000 gal.	1.26/M gal.
Next	200,000 gal.	1.09/M gal.
Over	300,000 gal.	.93/M gal.

The Fredonia Water & Sewer Utility offers residents the option of installing a 2nd meter for outside use only. The meter is provided by the village. However, you will need to contact a plumber to determine the cost of installation of the meter. There is a \$2.00 minimum charge per quarter on the additional 5/8" meter, plus consumption charge for water only. We recommend any new home-owner who will be putting in a lawn consider this option. You will not be charged any sewer fees on this second meter, therefore saving you \$3.28 per 1,000 gallons of usage.

WHEN IS A BUILDING PERMIT REQUIRED?

Building permits are required for any new construction, any structural change, or any project that exceeds \$500 in value. Permits are needed for decks, sheds, most remodeling projects, installation of a bay or bow window and basement fix-ups. If you aren't sure if a permit is needed, please check with the village hall at 692-9125 before you begin. Some permit applications need to be reviewed by the Architectural Control Board so allow plenty of time to obtain your permit. A permit is **NOT** needed for re-siding or re-roofing.

DISPOSING OF "SHARPS" WASTE

It is against the law for residents to dispose of sharps (needles, syringes and lancets) in their regular garbage. Sharps pose a health risk to garbage haulers and workers who might accidentally be stuck by them. They are considered infectious waste and must be disposed of properly in a container made specifically for sharps. Ask your local doctor, clinic, or pharmacy if they are a registered sharps collector. You can also contact the DNR at 608-266-2111, the American Diabetes Association at 888-342-2382 or the UW Extension at 608-257-3665 for locations of registered sharps collection stations.
