Memorial Tree and Bench Program

Overview:

The Village of Fredonia is a beautiful and growing community. As our park system grows, we need trees for shade and park character; as well as benches for visitors to rest and enjoy the scenery.

The Village of Fredonia would like to offer you an opportunity to honor someone special, to remember a loved one, or to recognize a special event or achievement through our Memorial Tree and Bench Program.

Trees and benches will be placed in the village, and your gift will provide a lasting memory and enhance the beauty and variety of our parks.

A cast bronze plaque engraved with your message will be installed near the tree.
